5th Sunday of Ordinary Time

Truly good people who take their religion seriously may be quite unaware of the effect they have on others, but their influence does not go unnoticed. Simple acts of kindness and service create an environment where Christ can be known, loved and cherished. These acts give flavour and sparkle to daily life and let the light of Christ shine forth for all to see. *-Desmond Knowles-*

*The Sanctuary Lamp burns to remind us of Christ's presence in the Blessed Sacrament.
